“Each one has a special gift from God, one person this gift, another one that gift.....Each of you should go on living according to the Lord’s gift to you” - (1 Cor. 7:6, 17)

Our parish community is vibrant because many offer their time and energy in various areas. Each one of us has been blessed with gifts and talents, so let’s use them to build our parish.

We are seeking more parishioners to share their time and talent in small ways so as to spread the load, that is more people doing a little rather than a few doing too much.

Make the most of this opportunity by filling in your details and ticking the parish activities that are of interest to you.

If you can think of other groups or ministries that are not listed but would appeal to you, please include it on this leaflet.
